DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Dave Willse
Primary Examiner
Art Unit: 3738

Art Unit: 3738

The Letter mailed on March 1, 2004, is erroneous in that it improperly required a listing of all claims for the present reissue application; said Letter is hereby vacated in favor of the instant Letter.

The Amendment filed February 9, 2004, proposes amendments to the claims that do not comply with 37 CFR 1.173, which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.

In particular, all changes should be made *vis-à-vis* the patent to be reissued, and new claims (relative to the patent) must be underlined *in toto* (37 CFR 1.173(d), (g); MPEP 1453).

The title of the invention has likewise not been properly amended (i.e., underlining and bracketing must be used: 37 CFR 1.173(b)(1)).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Willse whose telephone number is (703) 308-2903. The examiner can normally be reached Monday through Thursday and often on Friday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott, can be reached on (703) 308-2111. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0858.
